[Despatch Abstract.]

Land - Temporary grants under S.S.O. 15.A - Growing of Fod[illegible]-
rops - Amplifying S.S.O.15.A - Board's proposal - Approved.

GOVERNMENT OF MADRAS
ABSTRACT.

***

LAND - Temporary grants under B.S.O.15.A - Growing of Fodder trees - Amplifying B.S.O. 15.A - Board's proposal - Approved.

Revenue Department.

G.O.Ms.No.2414 Dated 6th October 1948

READ the following:-

From the Board of Revenue, Reference B-3787/47-11, dated the 18th May 1948.

ORDER:

The Fodder and Grazing Committee has recommended, among other things, that the growing of fodder trees on poramboke lands and waste lands at the disposal of theGovernment should be encouraged The Board of Revenue in consultation with the Director of Agriculture, the Director of Veterinary Services and the Chief Conservator of Forest has stated that poramboke and waste lands at the disposal of the Government can be granted for the purpose of growing fodder trees under B.S.O.15-A with certain additional conditions. The Government approve the following proposals of the Board of Revenue: -

(1) The grant may be free of assessment for a period of 5 years in the first instance and subject to the payment of a moderate assessment if it is to be renewed for a further period.

(2) With a view to protect the plants from cattle, fuel thieves or bark scrapers the grantee should be made to take protective measures by fencing the area and guarding it adquately.

(3) The grant may be subject to the following special conditions in addition to the usual conditions under B.S.O 15-A .

(i) The grantee shall plant such number of fodder plants of each class per acre as may be prescribed within the time specified.

(ii) The grantee shall not interfere with the plants until they readh full maturity

(iii) The grantee shall lop only the leaves and branches and not cut the plant for use as fodder.

(iv) There shall be only rotational grazing or rotational cutting of grass or fodder leaves.

(v) The grantee shall be at liberty to sell fodder that may be produced in excess of his needs.

(vi) The Government shall be at liberty to re-enter the land on infringement of any of the conditions and the grantee shall not have the right to remove ~~half~~ half-nurtured or ill-nurtured plants when the Government re-enter.

(vii) When the grant is not renewed for any reasons, the grantee shall not remove the trunks of the plants which shall become the property of the Government.

2.The Collector should consult the district Agricultural Offider before any temporary grant is made with regard to the kinds of trees to be planted and any further conditions which may have to be imposed in particular cases.

(By order of His Excellency the Governor)
